

LTTng-tools - Feature #1127

regression/tool/filtering use local gen-ust-event instead of tests/utls

07/28/2017 07:28 PM - Jonathan Rajotte Julien

Status: Confirmed	Start date: 07/28/2017
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version: Refactoring	
Description It should be possible to use the one from tests/utls.
